

Murphy Chamber of Commerce Scholarship Foundation presents Punkin' Chunkin' at Maize Days - October 7, 2023

The Murphy Chamber of Commerce Scholarship Foundation (MCOCSF) is once again preparing for our annual Punkin' Chunkin' fundraiser! The activities will begin at noon on Oct. 7 at the City of Murphy's Maize Days festival held at Murphy Central Park.

At the Punkin' Chunkin' booth, a giant slingshot is set up near the pond in the park. For a \$5 contribution, attendees sling a pumpkin at the sponsored floating targets in the pond. When hitting a target, a prize is awarded.

2023 Sponsorships Float Sponsorship is \$250.00

The sponsorship includes a customized sign, like the one pictured in the top right corner, and the donor's name will be listed on a group sponsorship banner. These items will be displayed at the event. Donors will also be featured on our social media pages pre and post event. A portion of the donated funds will be used to buy prizes.

Punkin' Place will have additional family friendly activities, especially for younger children, including Punkin' Poppin' sponsored by First Baptist Church of Murphy, Punkin' Paintin' sponsored by Oak Brook School and Punkin' Bowlin' by the City of Murphy.

I would like to sponsor a float for \$250.00
